Color your world with Euramax

Original textures

Textured finishes, more than color alone.

EuraTex is a range of coatings inspired by nature. Textures vary from fine to ultra rough, whereas glosses may vary from absolute matt to vivid reflections. This combination enables you to make unique natural finishes in pre-coated aluminum.

Look and feel

Guidelines

- Install panels in the same direction to avoid reflection differences
- Order projects in one batch to avoid color differences
- Many other colors available on www.euramax.eu/euratex

Original (Concrete)

Equivalent (Aluminum)

Custom textured design

When you supply us with an original design we can develop the same textured finish in pre-coated aluminum (minimum quantities apply).
