While the colours on this page are as closely matched to the true colour as possible, they are not exact, due to digital colour limitations. For a true Euramax colour match please request a colour swatch from [EuroClad](#)

For projects requiring a bespoke or custom finish, consult our friendly team to discuss a much larger library of colours and textures. Note this may require a minimum order quantity and a lead time.

5754 Aluminium Alloy with H42 Temper

Coils 1230 and 610mm wide x 0.80mm (approx. 220m<sup>2</sup> per coil)

3 layer water-based PVDF with (High build 10µm Protec primer) - 45µm total top coat

COASTAL WARRANTY

INLAND WARRANTY
